

International Journal on Criminology

The Policy Studies Organization and Westphalia Press are committed to taking a broad view of criminology and supporting the subject in academic research, as well as its application by law enforcement and justice professionals. The journal encourages interdisciplinary dialogue on topics related to criminology in its broadest context, including causes, micro and macro consequences, control and prevention.

To view the new issue and archives of the Journal, visit the [International Journal on Criminology website](https://esd-en.cnam.fr/international-journal-on-criminology-1331508.kjsp?RH=1588241811163).
