

Jean-Pierre Arnaud

Jean-Pierre Arnaud is currently **Professor** at the **CNAM Networks Chair**, after having held a management position for five years at IB2 Technologies. Previously, he held responsibilities at IBM France where his last position led him to head the department in charge of network marketing. He has also been an expert for standardization organizations (AFNOR, CCITT), manufacturers' associations and telecommunications consultants. As an advisor to large companies and institutions, Jean-Pierre Arnaud has specialized in the strategic implications of new technologies. He is a graduate in mathematics from IAE (*Institut d'Administration des Entreprises*), an engineer from ENST (*Ecole Nationale Supérieure des Télécommunications*), and holds a PhD in literature. He was also a member of the Scientific Council of the *Institut Télécom* from 2003 to 2011 and a member of the Strategic Committee of the Digital Sector

(within the Ministry of Productive Recovery).
