

Philippe Durance

Philippe Durance is **Professor** at the **CNAM** where he holds the **Chair of Foresight and Sustainable Development**. Holding a PhD in Management Sciences, he is also a researcher at the Laboratoire interdisciplinaire de recherche en sciences de l'action (Lirsa) of the CNAM. He regularly participates in several high-level training courses (AgroParisTech, EHESS, Essec, HEC, INET, Paris Dauphine, Sciences Po Paris, Sciences Po Lille, etc.). He chairs the Institut des Futurs souhaitables (IFs), a think tank dedicated to reinvention. The IFs aims to reintroduce long term thinking into decision-making and to provide a forum for controversy. It combines prospective reflections and experiments with a view to sustainable development and around questions of general interest.
